Book List 2019/20

Class: Junior Infants

Gaeilge: Abair Liom A (Folens)

Maths: Busy at Maths Junior Infants (CJ Fallon)

English Readers: There is a shift away from the traditional 2-3 readers per year. Instead, we will use a thematic approach and the language from each theme will be introduced and developed on a monthly basis. This will be followed up by the introduction of a fiction and non-fiction reading book based on each theme. Therefore, your child will have access to 18 books based on the nine themes which will be covered during the year. We do not expect you to buy all 18 books. Instead, the school will purchase complete sets of books and will have them covered. We will then give a book to each child to bring home to read every time they are working on a new theme. Each book costs €3.95 (and €1 for the cover), so we ask that every child will pay €9 rental, which entitles them to use all 18 books during the year. This represents great value and saves a huge outlay on readers for parents.

This money should be put in an envelope with your child's name, class and the words "Book Rental" on the outside. It can be given to the teacher on the day your child visits the school in June or alternatively, at the beginning of the new school year in September. If you wish to purchase these books instead, it is the "Over the Moon" scheme for Junior Infants and the book suppliers will be happy to give you all the titles.

The fee for arts, crafts, photocopying & personal accident insurance is **€30**. The cost for the second and subsequent child in a family is €25 each. (Therefore, the fee for one child is €30, two children €55, three children €80 etc. €30 from the booking fee which has already been paid for pupils in next year's Junior Infants will go towards this fee so any older siblings will be charged €25 each.)

The rental fee for English Readers as outlined above is €9.

Drama – A course of ten drama classes with Ms. Keelin Mc Donald - €15

Please ensure that books are covered with a clear plastic cover and are labelled with your child's name on the outside front cover. The pupils will not need a pencil case, pencils, colours etc. as these are supplied by the school.

All other belongings i.e. coats, jumpers, lunchboxes etc. must also be clearly labelled with your child's name. Please label each pencil etc. individually.

Storage Boxes for Classroom Use

Some class teachers encourage pupils to use storage boxes to store their books and copies neatly in the classroom. Every evening, before they go home, pupils are requested to place their chairs and storage boxes on top of their desks to facilitate cleaning of the classroom floors.

Due to space restrictions on the pupils' tables and in the interest of health and safety, boxes of books must be stored under the chairs as shown above. (If not stored safely, falling boxes of books are very likely to cause injury.)

The dimensions of the maximum size of storage box which can be accommodated under the school chairs are as follows: 40cm x 30cm x 20cm (16 to 18 litre capacity should be ideal.)

Therefore, for the sake of convenience for your child and the safety of all the pupils in the class, it is imperative that you take this maximum size into consideration when purchasing a storage box for your child for school. Lids are not required.

Please note for 4th – 6th class
