## Book List 2021/22

### Class: Junior Infants

**Gaeilge:** Abair Liom A (Folens)

**Maths:** Busy at Maths Junior Infants (CJ Fallon)

#### English

**Readers:** There is a shift away from the traditional 2-3 readers per year. Instead, we will use a thematic approach and the language from each theme will be introduced and developed on a monthly basis. This will be followed up by the introduction of a fiction and non-fiction reading book based on each theme. Therefore, your child will have access to 18 books based on the nine themes which will be covered during the year. We do not expect you to buy all 18 books. Instead, the school will purchase complete sets of books and will have them covered. We will then give a book to each child to bring home to read every time they are working on a new theme. Each book costs €3.95 (and €1 for the cover), so we ask that every child will pay €9 rental, which entitles them to use all 18 books during the year. This represents great value and saves a huge outlay on readers for parents.

**This money should be put in an envelope with your child's name, class and the words "Book Rental" on the outside. It can be given to the teacher on the day your child visits the school in June or alternatively, at the beginning of the new school year in September.** If you wish to purchase these books instead, it is the "Over the Moon" scheme for Junior Infants and the book suppliers will be happy to give you all the titles.
